I recommend working with a Brian (or Justin), as I'm recused from most TSCA litigation.

For this one next Thursday I am thinking we will use the TSCA piece being worked on now (adding PFAS) along with the OPP piece coming. I was going to reach out to Brian to see if we can get the background piece on the litigation from OGC as well by then – unless Erik wants to?

Alex,

Congratulations on your recent confirmation! As you know the ALI CLE Environmental Law program will be held on February 7-8, 2019, in Washington, D.C. at the Washington Plaza Hotel. I want to invite you to speak at the conference on the introductory panel entitled: "The New Administration and Environmental Law: What to Expect in this Year and Beyond." The panel will take place on February 7, 2018, from 8:30 -9:45 am. Your insights would be invaluable on this panel. If the timing of this panel does not work with your schedule, perhaps we can talk about other options such as Emerging Contaminants.

I look forward to hearing from you.

Best,

Pam Esterman
